

FEMALE HOCKEY ACTIVATOR TRAINING

Activator training is open to anyone involved in female hockey who has a passion and desire to see the sport grow. During the session attendees will experience first hand the planning and delivery of a girls hockey day as well as learning about a variety of recruitment initiatives.

Participants will also be given the opportunity to develop skills in the delivery of recruitment initiatives and learn to play. We will then go on to look how to promote and publicise your clubs using simple, free and effective methods.

The training will involve a variety of teaching methods from presentations, practical sessions as well as an opportunity to deliver. Participants should be able to skate, however, this is not essential.

We will be holding two activator training sessions:

Nottingham

Sunday, 5th June 2016

11:00am-6:00pm

Milton Keynes

Sunday, 3rd July 2016

1:00pm-8:00pm

Topics covered:

- Learn to Play
- Off-Ice Games
- Publicity and Promotion of your club
- Running a Girls Hockey Day
- Girls Hockey Day event
- Additional recruitment Ideas
- Action Planning

There will also be the opportunity to work with like-minded individuals who are looking to grow the sport within their own clubs to share ideas.

To secure your place e-mail girls.icehockey@eiha.co.uk with your name and club.
